Yes – Larry should just resend it with a short cover note. Maybe I'll suggest that on the morning IO call.

I keep stepping into all kinds of mess. 😊 It would be nice to encourage folks to read the COS' email and highlight the video.

I was hoping someone would point that out. People really don't read - even big deal emails like the one from the new COS.

Hi Larry,
This is the video that was sent in the Mass Mailer from the Chief of Staff last night. You could reference that message and provide the video link in your message.

Karin,

Thanks – I agree. It's a great message.

Do folks think that I should send this to all OECA, as an update on transition and follow up to yesterday's All Hands, or is it better to come from each OD?

Larry
